

Dear Colorado Jobies,

Hi! Can I just start off by saying, it warms my heart to see all the different ways every single one of you has been getting in touch with your fellow sisters, even in these very difficult times. I have missed all of you, and I can't wait to see everybody! It has been such an honor this past year to be your Junior Miss Colorado. It was so fun to travel around the state, going on adventures and sharing a bunch of laughs with my Jobie sisters! That is why I am so excited to say that I have been given the chance to be Junior Miss Colorado for the upcoming year, given the current circumstances. I have a great feeling about what is coming after everything that is going on has come to a close, and I can't wait to share even more memories with all of you!

I, Evelyn Campbell, am honored and gladly accept the opportunity to undertake the position of Junior Miss Colorado for the upcoming year.

Jobie Love,

Evelyn Campbell
