

Hello Colorado Job's Daughters,

We know that this year has been a crazy one for all of you and we hope that your summer is going well.

Grand Bethel is hoping that things will start to get back to some sort of normal very soon. That being said, we want to let you know a little bit about how things are going to work once we are all able to meet in person once more. This of course comes down to the Grand Master's edict on the number of people who can meet in person, as well as the Supreme directives.

All Grand Bethel officers will remain in their current stations. Once the EGGC and the Grand Bethel Committee have worked when Grand Session, Pageant, and Grand Bethel will meet, we will let you know about an Installation date for the next term.

Here are some of the things we have planned for the upcoming year:
