The Board of Educational Trustees of the Colorado Grand Guardian Council, Job's Daughters International, is pleased to invite all active Daughters who have been members for at least 2 years and are seeking to attend an institution of higher learning (post-high school university or trade school), to apply for a scholarship.

Attached is the application form, instructions for completing the application, and a checklist. Please read through everything carefully and get your requests for grade transcripts and letters of recommendation out NOW so that you have everything ready to submit to the Grand Secretary, Mrs. Kim Fairchild, before the April 1, 2026 deadline.

We are excited to be able to award scholarship monies for your hard work and to further your education. We look forward to hearing from many of you. You've worked hard and we'd like to recognize your efforts.

Sincerely,
